

Officer Nomination & Selection Process

Nomination and selection will unfold in three phases:

Nomination

All candidates for open positions must submit a one-paragraph biography and a one-paragraph statement of purpose by 11:59 pm EST, of the pre-determined date to be considered. The candidate profiles will appear online to Division members. The Division's call for volunteers will also be open during this time. Submit your nomination by emailing the corresponding Division.

Candidate Q&A

Once candidate information has been posted to our website, division members will have two weeks to view candidate profiles and submit general or candidate-specific questions.

Interview

Candidates will be interviewed by the Division's Section Committee for a week prior to selection.

Selection

Once the candidate Q&A phase is complete, the Division's Selection Committee will appoint the officers.
